

PE and Sport Premium Objectives 2017-2018

At Burrough Green CE Primary School, we aim to ensure that the focus on how the PE and Sport Premium money is spent has a long and lasting impact on the quality of PE and Sport in our school. We have identified our priorities for the year 2017-2018 and how we hope to achieve these. This year we expect to receive £16,780.

Aims	How we will achieve this	How we will measure this	Costs
To engage all pupils in regular physical activity	Enhance the role of Play leaders. Train some children in Class 4 to take on roles of Play leaders during breaktimes. Use PE and Sport premium money to enable some children to attend clubs. Improve further the outdoor climbing/play equipment (remove old fort)	How are children spending their break times? Are there opportunities for physical activity? Are children spending more time being active during play?	Approx £620 £6000
To raise the profile of PE and sport across the school as a tool for whole school improvement	Improve on our Silver award from last year. Go for Gold in the Schools Awards!	Have we achieved Gold?	Approx £200
To increase confidence, knowledge and skills of all staff in teaching PE and sport	Continue to use Cambridgeshire Scheme of Work and share good practice. Continue to use sports coaches to model good practice. Peer observation of teachers - are we good? Can we get to outstanding? Employment of a Sports Partnership teacher to support NQT. Support for PE co-ordinator	Have the quality of lessons improved? Are the children more engaged in lessons? Do the teachers find them beneficial? Are the teachers gaining confidence in teaching certain sports? Pupil enjoyment of games lessons and NQT gaining confidence in the teaching of the subject. Sports Partnership subscription	Approx £300 Approx £4000 Approx £3700 Approx. £850
To give children the opportunity to become coaches	Organise more house competitions led by ks2 children. Organise cluster tournaments where ks2 children are the coaches.	Complete evaluations from children. Can they explain the skills of a good coach?	Approx £150
To enhance the children's understanding of the different aspects of Health e.g. mental, physical, emotional and nutrition.	Involve health practitioners Continue monitoring mental health Research how sport can have a positive effect on mental health. Research Sensory Circuits training	Mental health survey Pupil questionnaire Are children enjoying sport? Are children with specific needs developing their physical skills?	Approx £300 Approx £500
