How can my child learn music with Cambridgeshire Music?

Schools throughout the county use Cambridgeshire Music to provide lessons in school, a convenient way for parents to organise music lessons around busy lives. It is also possible to have lessons out of school time at one of our area music academies across the county.

If you would like to have a single lesson to see if you like a particular instrument this can be arranged, often in school or at one of our centres.

Learning to play an instrument does require commitment but brings great rewards both musically and in other areas of our lives.

To request lessons, book an instrument or a taster session, visit www.cambridgeshiremusic.org and register or contact us at cm@cambridgeshire.gov.uk

Individual 30 minute lessons	£165 per 10 credits

Booking an instrument:

You can request an instrument as well as a lesson and there are three options for providing this:

You can borrow a 'played' instrument from our County Instrument Bank at £5 per month (minimum 4 month loan).

You can purchase an 'instrument package' from us. Payment for this can be made singly or in instalments – see online for more details.

You can purchase an instrument from us with your own choice of supplier, make and model, VAT free.

We can only provide portable instruments under these schemes. For larger instruments, if available, we place an instrument in school as well as home to make transportation easier.
